

Spectrix Analytical Services, LLC

410 Sackett Point Road, Bldg 20, North Haven, CT 06473 ♦Phone:203-287-5674 ♦Fax:203-287-5497 ♦www.spectrixservices.com

Analytical Services "tailored to the Clients' needs"

Laboratory Services

Active Ingredient Testing: Purity and Identity

Microbial Test (Total Aerobic Microbial Count (TAMC)), Total Combined Yeast & Mold Count (TYMC), Enterobacterial Count, Absence of Salmonella Species & E. Coli, etc.

Mycotoxins (Aflatoxin B1, B2, G1, G2, and Ochratoxin A)

Heavy metal (Arsenic (As), Cadmium (Cd), Lead (Pb), Mercury (Hg), etc.) per USP 232/233

On-Site Scientific Services

Large and Small Molecule Purification

Structural Integrity

Bioanalytical support

Drug Screening and Cell Culture

Compound Management

Quality Control testing

Column Regeneration

Instrument maintenance*

Additional drug discovery and development support services

Non-traditional Staffing Models

Flexible Part time employees to mirror workload high and lows

Extended hours: evening and weekend

*Instrument Maintenance

Services

On-site 1st Responder

Daily Preventive QC's

Corrective Maintenance

Bi-annual Preventive Maintenance

Instrument moves

Tool Making and Machining (design & modify equipment based on customers' needs)

Instrument types

Analytical and Prep SFC

HPLC, UPLC

LC/MS

GC/MS

NMR

Autosamplers

ELS Detectors

High Throughput Evaporator

Pneumatic Pumps

Incubators

Cytometer, Liquid Handlers

Acoustic Dispenser

Various Liquid Dispensers

Plate Dispenser, Stacker, Imager

Plate Sealer, Labeler, Centrifuge

Plate Washer and Reader

Robot Arms
